

—Kim, Youth Ministry Volunteer Leader

“ **Some churches show up at Laurelville youth ministry weekend in a car. St. Philip's had to charter a bus!**

Sharing the gospel with students has been a passion of St. Philip's for many many years through Kidz Stuff, Kidz Kamp and student ministry. This is my second time to serve as a leader for middle schoolers, and I have worked as a Kidz Kamp coach serving 5th/6th graders for 5 years. It is such a great blessing to witness the passion and devotion that influence these life changing St. Philip's youth programs. These investments into the lives of our youth would not be possible without the prayers and financial support of St. Philip's and donors like you. Thank you for changing a life!
